NATURE IS THE
ART OF GOD

THE AMPHITHEATRE CHAUTAUQUA, N. Y.
ON LAKE CHAUTAUQUA

Dear Friends: My Mother & Sister are treating me To a quiet weekend here, just walking, loafing and concerts, and quiet. Very restful, but unhomelike. Not a good week-end weatherwise. Hope you will visit us. No plans for next Sunday, but come during week & stay over night, we could have a nice visit
